This certificate is to certify that Sai Charan B of the Department of CSE, Sri Sivasubramaniya Nadar College of Engineering, Kalavakkam, 603110, India has successfully carried out their internship under the advice and guidance of Prof. Andreas Pitsillides and Dr. Iacovos Ioannou from the University of Cyprus and Prof. Prabagarane N and Prof. J. R. Sella Veluswami from the Sri Sivasubramaniya Nadar College of Engineering, Kalavakkam, 603110.

They worked on a project titled "Detection of DDoS attacks in D2D Communication Environment Using Machine Learning and Cloud Computing". During their internship, they have demonstrated their skills with self-motivation to learn new concepts. Their performance exceeded our expectations, and they were able to complete the assigned task on time.

Moreover, based on their results a scientific publication has been submitted to the "IEEE Transactions on Security & Privacy" for consideration and publication.

We wish them all the best in their upcoming career.

Yours sincerely,

Prof Andreas Pitsillides          Dr. Iacovos Ioannou n
